

## **MESSAGE FROM THE TRUST ACCOUNTS DEPARTMENT TO THOSE EFFECTED BY THE RECENT FLOODS**

### **The 2022 Law Practice Confirmation and Statement of Trust Money submission period has now commenced.**

Law Practices that have held or received trust money (other than PEXA power money, written direction money or transit money) during the period 1 April 2021 to 31 March 2022 must complete the Part B Statement of Trust Money and have an External Examiner's Report completed by a designated External Examiner. Under normal circumstances Part B and the External Examiner's Report must be lodged by **31 May 2022**.

If you have been adversely affected by the floods the Trust Accounts Department will grant an extension period in relation to the lodgement of the Part B Statement of Trust Money and the External Examiner's Report.

Please send your requests via email to [tad@lawsociety.com.au](mailto:tad@lawsociety.com.au) and stipulate the reason for your request, and the date you would like the extension to extend to. All requests for extensions to 30 June 2022 will be automatically granted.
