If you are directed to [get tested](#) for COVID-19 or [self-isolate](#) at any time, you must follow the [rules](#) whether or not the venue or exposure setting is listed on the NSW Health website.

It remains vital that anyone who has any symptoms or is a close or casual contact of a person with COVID-19, isolates and is tested immediately. When testing clinics are busy, please ensure you stay in line, identify yourself to staff and tell them that you have symptoms or are a contact of a case.

Please check the [NSW Government website](#) regularly, and follow the relevant health advice if you have attended a venue of concern or travelled on a public transport route at the same time as a confirmed case of COVID-19. This list is being updated regularly as case investigations proceed.

There are more than 500 COVID-19 testing locations across NSW, many of which are open seven days a week. To find your nearest clinic visit [COVID-19 clinics](#) or contact your GP.
