

Property Law

Thursday 17 August 2023

Session 5 – 2.45pm – 3.45pm

Strata law: Tricks, traps and opportunities missed in the 2015 legislation

Join us for a session on strata law. Presenter Michael Allen will delve into the latest cases and legislative changes relating to strata properties that all practitioners need to know.

Meet the speaker

Michael Allen, Partner, Bugden Allen Graham Lawyers and Fellow, Australian College of Strata Lawyers

Michael Allen specialises in major property projects and developments with an emphasis on mixed use, commercial, infrastructure, tourism, industrial and urban development projects. He is a leading authority on airspace (stratum title) projects, planned communities, strata and cluster titles, community titles and strata leasehold titles. For over 35 years, Michael has acted for major developers, institutional, finance and government clients on the formation of land laws and the title, subdivision and management structuring of major real estate projects. He has helped develop innovative legal and management solutions for many of Australia's iconic developments. Michael has been nominated numerous times as a leading real estate lawyer in Chambers Global Guides and is recommended in The Legal 500 Asia Pacific. In 2009, the Chambers Global Guide described him as "one of the best titling experts in the country".
