Thursday 3 October 2024

Gavin Connor

Team Leader, Trust Accounts, The Law Society of New South Wales

Gavin is a Chartered Accountant whose early career was with Deloitte involved in management and receivership as well as public company audit. He then moved into industry as the Group Internal Audit Manager with a diversified multi-national industrial company. This role involved coming to grips with a range of operations from towage and salvage, industrial products distribution, shipping and agency, coal mining both underground and open cut and sugar cane milling.

He currently leads a team of investigators in the Trust Accounts Department.

He also conducts sessions on trust money and trust accounts for the Law Society to various groups including Regional Law Societies, in house training at law practices, CPD sessions and the Practice Management Course.

He continues to be heavily involved in the development and conduct of the External Examiners course for accountants seeking accreditation under the Legal Profession Uniform Law to conduct External Examinations at law practices.
