

2024 Wellness Webinar: How to Overcome Imposter Syndrome

Thursday 24 October 2024 – 6:00pm – 7:00pm

Stacey Back

Founder, Profile Careers

Stacey Back is a career planning specialist, certified career coach and presenter to high-performers at a crossroads in their careers. She is the founder of Profile Careers, a specialist coaching company committed to helping organisations develop and retain their best people and individuals to design fulfilling, sustainable careers. Her clients come from law, accounting, finance, HR and other professional services sectors.

Stacey's professional background includes a decade in legal recruitment, HR and corporate sales with global companies in Australia and the UK. In 2013 she founded a successful Perthbased legal recruitment consultancy, before launching Profile Careers in 2018. Over the past 16+ years, Stacey has helped hundreds of individuals reach their professional goals.

Stacey's approach is highly strategic and the frameworks and methodologies used in her workshops and coaching programs build clarity, confidence and facilitate results. She is passionate about helping organisations develop and retain their best people and supporting leaders to achieve positive outcomes and changes which impact their whole lives.
